Mrs. Howard Glover called to see her father, A. B. Ferguson Tuesday afternoon. She was accompanied home by Mr. and Mrs. Alfred Reynolds.

Can Black-Draught Help That Dull, Dopey Feeling?

Yes, Black-Draught may help that dull, dopey feeling if the cause of your feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental heaviness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Get a package today.

Mr. and Mrs. J. T. Gibson and two sons and Miss Lindy Warriner, of Washington, D. C. spent the week-end with her parents, Mr. and Mrs. W. F. Warriner.

Mr. and Mrs. J. C. Staples called to see Mr. and Mrs. G. W. Glover Sunday night.

Mrs. E. W. Warriner is ill at this writing.

Vice-President Barkley says business leveling off process is not an alarming sign.

James River at crest level.

TRUSTEES SALE

Pursuant to authority vested in the undersigned Trustees, by virtue of a certain Deed of Trust, dated January 15, 1949, of record in the Clerk's Office of the Circuit Court of Appomattox County, Virginia, in D. B. 51, at Page 68, and whereas default having been made in the payment of the obligation therein secured, namely Five Hundred Sixty Dollars, ($560.00), represented by a note made by Burford Hudson, Jr., and Mary Belle Hudson, and upon request of the holder of said obligation that said trust be executed, the following described real estate will be offered for sale in compliance with the terms of the aforesaid instrument.

DESCRIPTION:

That certain tract or parcel of land with improvements thereon, lying and being in Stonewall Magisterial District of Appomattox County, Virginia, about two (2) miles West of Oakville, containing approximately six (6) acres, be the same, more or less, adjoining the lands now or formerly owned by J. E. Martin's and R. S. Wheeler's Estates, Wm. A. Coleman and others, and fully described in said deed of trust,

Place of Sale: In front of the Court House

Time of Sale: 10 A. M. Saturday, July 2, 1949

Terms of Sale: Cash

Auctioneer: J. H. O'Brien

Trustees: R. L. & Wm. W. Burke

Get Your HAIL INSURANCE NOW

The hail season is fast approaching. Your crops need protection.

For absolute protection and peace of mind, buy Hail Insurance. When dark clouds appear over your farm, it's a great feeling to know you are insured.

You may not get hail often, but suppose this is your year! Hail will steal the money you have invested in growing your crops, and the income you expect to receive when you sell them. The moderate cost of Hail Insurance pays you big dividends when hail strikes.

See or call us immediately for complete details. There is no cost or obligation. Play safe this year! Buy Hail Insurance early.

Ayrshire Breeders Testing Production

Keep Average Chart, Record of Animals

The Ayrshire breeders' association is the only cattle-breeders' organization in the field which maintains "average" rather than "selective" production records of its cows, according to officials.

At this time, it was reported, some 16,000 Ayrshire cows are voluntarily "on test." Daily, certified records of all phases of pro-

Two directors of the Ayrshire breeders' association, Edward Wilson, left, and Michael Rapuano, right, look over "Armour Mona" the blue-blooded Ayrshire cow sold at the Bucks county, Pa., sale.

duction and lactation are averaged into monthly records and these, in turn, are averaged into annual records. From these annual figures, "herd" averages are then computed, and these are computed into the only "breed" averages extant.

Owners of the Ayrshire cattle are given duplicate copies of the production records compiled with the help of foolproof IBM machines. This system is of immeasurable help to Ayrshire farmers in operating their herds and disposing of surplus cattle.

But this painstaking "cows on test" project is only one of the many operations conducted by the A.B.A. staff. The birth of every Ayrshire calf is recorded and registered.

The operations of the A.B.A are helping to make Ayrshire cattle one of the most popular breeds of dairy cattle in the country. The Ayrshire is reported the highest producer of 4.0 per cent milk of any breed. Only Ayrshires produce "naturally homogenized" milk—the fat globules are so fine and tiny that they are integrated by nature with the rest of the milk. Ayrshire milk is in great demand by hospitals, and by doctors with on-diet patients.

De-Humidifier

Now the home-owner can protect property in his basement from mold, rust and mildew damage by moist summer air with any one of several simple and inexpensive de-humidifiers and a low-cost chemical—calcium chloride.

Scarce in supply during the war years, calcium chloride is now in plentiful supply. Low-cost de-humidifiers are available nationally through hardware and lumber dealers.

De-humidifiers designed to use the chemical have a container such as that shown here, for the flake which is exposed to air. Calcium chloride has the unique property of being able to absorb several times its own weight in moisture.

Montana Farm Families Assist County Agents

More than 6,500 rural men and women in 43 Montana counties gave freely of their time during 1948 to assist county extension agents in carrying forward programs aimed at bringing about improved farming and homemaking methods and better rural community living, according to the year's end report of R. B. Tootell, director of the agricultural extension service at Montana state college.

Stonewall

Stonewall June 20.- We are so thankful for the nice rains we have had and all the farmers have finished planting tobacco.

Lester Carson and Mrs. John Burnett visited their sick brother, Virgil Carson Saturday and Sunday. He is ill in a Roanoke hospital.

E. P. Sears had as his guests for Father's Day Mr. and Mrs. R. D. Sears, of Charlotte; Mr. and Mrs. Jim Sears, of Lynchburg, and Miss Gertrude Sears, of Richmond.

HEAVY POTATO MARKETINGS EXPECTED IN SUMMER

A peak movement of potatoes from 30,400 Virginia acres is expected after July 4, with fairly heavy marketings during June, July and August, says Dr. J. L. Maxton, marketing specialist at V. P. I.

Growers again will be selling in competition with the western potato crop, but this year they have several points in their favor, Dr. Maxton says. Virginia's commercial potato crop will be sold under a marketing agreement; several million bushels of Virginia potatoes will be washed this year to better compete with California potatoes; and a recent increase in rail freight rates will cut down some competition from the West.

"In 1947 and 1948 we lost these (eastern) markets to western growers, necessitating heavy purchases by the government for price support purposes. Our growers and the potato industry knew this situation cannot continue," Dr. Maxton said.

Carver NHA

DELEGATES FROM THE CARVER CHAPTER, NHA, ATTEND STATE MEETING

Mrs. V. P. Elliott and Bessie Williams attended the 3rd National New Homemakers of America Convention June 2 - 4, held at Jackson State College, Jackson, Mississippi. They were accompanied by other girls and advisors from Virginia.

Bessie held the office of the state president of the Virginia Association of New Homemakers of America for the year 1948-49. While at the National Convention she was elected Vice-President of the National Association. The 4th National Convention will be held at Southern University, Baton Rouge, Louisiana, next year. Local friends are proud that a local girl attended the national convention this year and will be able to attend next year.

The State N. H. A. Convention was held at Virginia State College, Petersburg, Va., June 8-10. Two delegates represented the Carver Chapter, Margaret Reed and Ella Mae Brown. The convention was enjoyed greatly by the two delegates, advisor and the state president from the chapter.
